Fan's Guide
to Frontier Field.

Welcome to Frontier Field!

As you take in the sights and sounds of Frontier Field for the first time, keep in mind that long before the very first brick was laid, indeed, long before the ground at the corner of Platt and North Plymouth was cleared to make way for a new baseball diamond, this community had already set into motion the creation of this magnificent stadium.

The citizens of Monroe County united with unsurpassed enthusiasm. Their dream for a new stadium spread across our community and all the way to Albany.

You did it. I'm both proud and grateful for your tenacity. Frontier Field is truly a field of dreams come true.

Baseball fans and soccer enthusiasts, athletes and spectators, men, women and children of Monroe County: Frontier Field is your legacy. I hope you and future generations enjoy it for many years to come.

Sincerely,

John D. Doyle
Monroe County Executive
